UNITED NATIONS ASSOCIATION  
*of the United States of America*  
AND THE BUSINESS COUNCIL FOR THE UNITED NATIONS

Mr. Paul Hoeffel  
Chief, NGO Section  
United Nations  
New York, NY 10017

Dear Sir:

Please accept this letter of recommendation for the Women's Health and Education Center of Springfield, Massachusetts. I have met with Dr. Rita Luthra on several occasions and understand the mission of the Center. It is my judgment that the Center is well qualified to be an accredited NGO to the DPI of the United Nations. Dr. Luthra has attended and participated in meetings of the UNA/USA and the Connecticut Division of our national organization. The Center is developing a useful and ambitious worldwide ob/gyn information system.

If you have any questions, I would be pleased to respond.

Sincerely,

Irving Stolberg  
President, Connecticut Division, UNA/USA
