

VIRTUAL SIDE EVENT
9th Multistakeholder Science, Technology and Innovation Forum

Artificial Intelligence Literacy in

Health & Education Sectors
Artificial Intelligence: A Friend or A Foe

Date: 09 May 2024;

Time: 1:15 pm to 2:45 pm (EST, New York Time)

The objectives of this Side Event are:

To provide a universal framework of values, principles and actions to guide Member States in the formulation of their legislation, policies and other instruments regarding AI - consistent with international law.

To guide governmental, non-governmental organizations, individuals, groups and communities, institutions and private sector companies to ensure the embedding of ethics in all stages of the AI system life cycle.

To protect, promote and respect human rights and fundamental freedoms, human dignity and equality, including gender equality.

To safeguard the interests of present and future generations.

To preserve the environment, biodiversity and ecosystems, and respect cultural diversity in all stages of the AI system life cycle.

Can inequality in education and health sectors be fixed in Africa and other low and middle-income countries, with AI?
