2025 ECOSOC Partnership Forum Improving Health of Our Children & Future Generations through Education Virtual Side Event

Date: 5 February 2025; Time: 10 am to 11:15 am EST (New York Time)

The aim of this Side Event is to understand the potential of social and economic impacts, that quality education and improved health can bring in achieving peaceful co-existence. For policy-makers and individuals alike, this means planning for the future, and working together. The initiatives of the Women's Health and Education Center (WHEC), have been hard at work for the last two decades, to achieve education- and health-for-all. It is at the heart of our projects and programs to focus on eliminating poverty, hunger and achieving the United Nations' 2030 Agenda.

WHEC's e-Learning, e-Health and e-Government Initiative:
