

Privacy Notice

Women's Health and Education Center (WHEC)'s Privacy Notice

By accessing the Site (<http://www.WomensHealthSection.com>), certain information about the User, such as Internet Protocol (IP) addresses, navigation through the Site, the software used and the time spent, along with other similar information will be stored on WHEC's-servers. These will **not** specifically identify the User.

The information will be used internally for web-site traffic analysis. If the User provides unique identifying information, such as name, address, and other information on forms stored on this Site and its servers – such information will be used only for statistical purposes. This will not be published for *general-access*.

The Women's Health and Education Center (WHEC), however, assumes no responsibility for the security of this information.

Archiving and Access

The workspace of *WHEC Global Health Line* is **not** a permanent repository for documents and information. *Access* to a workspace may be terminated, the workspace may be closed and any documents in the workspace may be deleted. *WHEC Global Health Line* shall therefore does not replace the regular archiving-system to be used by each user, as data on a *WHEC Global Health Line* might be updated, shifted, deleted or modified by others. Archiving must be performed in compliance with applicable law and policies in place, which are relevant for you as a user of *WHEC Global Health Line*.

WHEC is not responsible for archiving any information, data and documents of any other entity or person.

WHEC-archives in USA are available for consultation, and are subject to *public access regulations*.

Members of the public may have access to:

1. Documents that were **accessible** at the time of their creation.
2. Documents which are **more than 20 years old and not subject to restrictions** imposed per regulations.
3. Documents which are **less than 20 years old and not subject to restrictions** imposed per regulations, on condition that the originating office has given written consent for *access*.
